

Bed & Breakfast La - Casetta

Bed & Breakfast

La-Casetta is a bed & breakfast consisting of two studios (*Acquamarina* and *Perla*), suitable for two people per studio. The studios are at ground-level, in a detached cottage, belonging to an authentic old Dutch farmhouse. An ideal location for anyone who loves tranquillity and nature.

Location

Bed & Breakfast La-Casetta is situated in the lovely, peaceful country area of the hospitable village Schijndel, in the southern region Noord-Brabant. The cosy village centre is just 2 kilometres away.

Schijndel lies centrally between the modern, internationally orientated city of Eindhoven (distance 22 km.) and the historic "Burgundian" city 's-Hertogenbosch (also called Den Bosch: 14 km.). Schijndel is, further more, surrounded by well-known villages like Sint-Oedenrode (9 km.), Boxtel (10 km.), Sint-Michielsgestel (8 km.), Veghel (10 km.) and Uden (19 km.)

Facilities Bed & Breakfast

Each studio is equipped with:

- double bed (140x200) or
- 2 single beds (90x200)
- Table + 2 comfortable chairs
- Kitchenette with refrigerator
- water cooker
- coffee/tea
- digital colour TV
- wireless internet
- toilet
- shower
- garden
- parking place
- central heating

If you choose to have breakfast at the Bed & Breakfast, breakfast will be served in the studio, at a time of your convenience (between 07.00 and 10.30 a.m.). And, if the weather allows, breakfast can also be served outside, in the garden.

Activities

At the Bed & Breakfast you can enjoy our lovely garden and forest, take a cooking-workshop and, or have a delicious Italian dinner.

Other possibilities are making a lovely walk on the nearby heath, or a bicycle trip in the beautiful area.

You can also have a relaxing drink on one of the terraces in the village, go out to diner, visit a vineyard, make a walk accompanied by a donkey, visit a factory where they make real Dutch wooden shoes, make a trip on a rail bike, play a game of golf, or visit the sheepfold or brewery of Schijndel.

A day in the city of Den Bosch, Eindhoven or another lovely city or village is a great way to spend your free time as well, but...to sit back, relax, do nothing and just enjoy the lovely, peaceful and quiet surroundings of our Bed & Breakfast is, of course, also possible...
